

North San Diego County Vernon Payne Chapter 286

President: Bob Wilson Vice President :Mike Talmadge Secretary: Dave Leedom Treasure: George Pruitte

NEXT MEETING

Thursday March 1, 2007

7:00PM

AFR Hanger Palomar Airport

SPEAKER

Mr. Jeff Acord

Recently retired from the SoCal-Tracon air traffic control facility will be the featured speaker. He will describe that Facilities role in air traffic control over Southern California.

MINUTES for February 1, 2007

The meeting was called to order at 1900 hours by President Bob Wilson.

Bob announced that this meeting would be the last meeting at our current location; future meetings would be across the parking lot at the Pacific Helicopter facility.

Guest: Steve Fibrley was introduced.

The minutes of the meeting were read. There were no corrections and they approval as read.

John Aling of the Young Eagles committee announced that the next Chapter Young Eagles activity would be giving rides to Young marines this summer.

Alan Purdy Technical Counselor inspected Greg Butler's plane and pronounced it ready and a "great job".

Glen Snavelly gave tours of the new meeting facility at the break.

Dave Leedom Secretary announced the application was complete for Jack Schifferer to be added to the EAA Memorial Wall.

Glen Snavelly reminded everyone of the RV fly in at Cable Airport scheduled for the 2nd February.

Old Business: Discussion was held about the previous suggestion to get a wireless microphone and it was decided to wait until we'd experienced the acoustics of the new meeting room.

It was announced that the Chapter aircraft

scales are being stored in the Barnstormer's Hanger.

New business: John Hubbard told about his visit to the Planes of Fame museum and recommended a visit for anyone in the Chino area.

Guest Speaker

Bob MacHale the traffic manager at Ramona Control Tower told about operations and exceptions to them demonstrated by pilots over the last few years. After the break he told of incidents he experienced as an Air Traffic Controller aboard Navy Aircraft Carriers.

EAA Notice: This past week FAA supplied a one-two punch that could have a huge affect on the freedom of flying. First, it introduced its budget plan that included sharply higher fuel taxes on the airplanes we fly and the specter of additional user fees. Also, the new air tour rule unveiled this month includes language that could be extremely harmful to EAA's Young Eagles program.
