

# North San Diego County

## Vernon Payne Chapter 286

*President: Bob Wilson Vice President :Mike Talmadge Secretary: Dave Leedom Treasure: George Pruitte*

November 5, 2008

The meeting was called to order by President Bob Wilson at 19:02 hours.

Bob introduced Larry Rothrock, the president and wagon master of EAA Chapter 14, located at Brown Field. Larry invited our chapter to co-sponsor the fabled EAA Chapter 14 Fly-out/Camp-out at Ocotillo (L90). This year the event was scheduled for the weekend of Nov. 7,8 and 9. Portable hangars and food and festivities are part of the event. Larry is hoping to make this event a focus for all EAA chapters in the Southwest. The proposal was received favorably and a lively discussion followed as to the contribution that our chapter might bring to the event. We are looking forward to the establishment of a new tradition bringing local chapters together at Ocotillo.

The possibility was also discussed that such activities might be incorporated in a coordinated program to attract new members.

### Maiden Flight

---

Mike Tallmadge reviewed the flight of his RV9A with the Subaru H6 engine. All systems were nominal and the flight was a success. Congratulations Mike.

Mike will be our presenter for our November 6<sup>th</sup> Meeting

### New Business

---

We were treated to a video, One Six Left, describing the making of One Six Right, a history of aviation at Van Nuys Airport. The airport has an important place in local aviation history and we are fortunate to have this documentation.

The meeting was adjourned at 20:56 hrs.
