President: Bob Wilson Vice President :Mike Talmadge Secretary: Dave Leedom Treasure: George Pruitte

The meeting was called to order by President Bob Wilson at 19:00 hrs.

Guests:

Our guest was Christian Osmond. Christian is in the final stages of building a Kit Fox at Montgomery Field and is quite excited about taking it into the air in the near future.

Minutes:

The minutes were moved and approved.

Officers Report: None

Old Business:

Glenn Snavelly reported on the parking situation. At present it is uncertain as to which areas beyond the administration front parking lot will be available to us. Glenn hopes to obtain permission for members to access the staff parking lot adjacent to the administration building.

Projects in Progress:

Greg Butler has mounted the Subaru engine in his plane and fired it up. The engine stalled periodically and Greg is analyzing the problem.

Meeting: DVD Presentation: Runway Incursions and the Human Factor.

The presentation focused on the small increments of complacency and misunderstanding that combine to yield deadly accidents on the runway. The computer generated simulations brought a visceral response to the cold statistical data presented.

Oceanside Airport co-manager Sam Zappia and EAA member said that this study is vitally important for the general aviation pilot.

Complacency is the unforgiving enemy that is ever present on the runway.

The meeting was adjourned at 20:37 hours.

The Jan. 7th meeting will feature a representative from Sky Sailing at Warner Springs.
